Please answer all health history questions on the following page PRIOR to your visit to the doctor. Please fill in the student athlete's personal information (name, gender and birth date) on each page of the form and return the entire packet to the school's athletic department.

### Concussion Management

A concussion is a disturbance in the function of the brain that can be caused by a blow to the body or head and may occur in any sport or activity. Effects of a concussion may include a variety of symptoms (headache, nausea, dizziness, memory loss, balance problem) with or without a loss of consciousness. I/we understand there is a concussion management protocol established that includes care and return to play criteria.
